To whom it may concern:

HD Reach has served people affected by Huntington's Disease (HD) for over 15 years by providing access to healthcare, education, and social assistance to families across the US. **We would like to invite you to be a 2024 Tournament Sponsor and/or participant at our golf tournament in Holly Springs on November 4th, 2024.**

There are 1,000s of North Carolinians affected by HD, likely someone you know. Many impacted folks live in isolation and fear due to this disease. The golf tournament gives us a chance to collectively join together to help this community of people across NC and the South East region.

You can give HD families a priceless gift by choosing from one of our sponsorship opportunities. Your organization will be recognized for their support. And if you play golf, you'll have a fun day on the course while making a real difference to HD families.

For additional information, contact Kelly at kyaworski@hdreach.org or 919-327-1803, or me at the number below. You can make your payment online at www.hdreach.org/raleigh-golf.html or complete the enclosed form, make the check payable to HD Reach, and send it to:

HD Reach Golf Tournament
2054 Kildaire Farm Road #427
Cary, NC 27518

Thank you for considering helping the HD community.

Sincerely,

Chris Young
